

DAMIEN FORREST GOLDBERG

Current Position:

Address: Damien F Goldberg, MD
Wolstan & Goldberg Eye Associates
23600 Telo Ave., #100
Torrance, CA 90505
(310) 543-2611

Physicians & Surgeons License: California
Texas
Washington, DC

Board Certification: National Board of Medical Examiners

Recent Certificates and Awards:

2006	Certified for Cyrstalens® Lens
2005	Certified for Restor® Lens
2005	Certified for Staar® Visian ICL
2005	Certified on Alcon LadarVision®
2004	Certified on Visx Star 4 CustomVue and Fourier System
2004	Certified on Intralase® FS
2003	William JG Davis MD Award, Washington National Eye Center Award for Resident Research Day Project
2003	Certificate of Appreciation by Washington Hospital Center for Glaucoma Screening

Professional Memberships:

American Academy of Ophthalmology
American Society of Cataract and Refractive Surgeons
American Society of Research in Vision and
Ophthalmology
Sjogren's Syndrome Foundation
American Medical Association

EDUCATION

2004-2005	Cornea, External Disease and Refractive Surgery Fellow, Department of Ophthalmology University of Texas Southwestern Medical Center Dallas, TX
2001-2004	Resident, Department of Ophthalmology Georgetown University / Washington National Eye Center Washington, DC
2000-2001	Internship, Department of Internal Medicine

Georgetown University Hospital
Washington, DC

1995 – 2000

MD and MBA
Georgetown University, School of Medicine and
The Robert Emmett McDonough
School of Business

Awards: McKinsey & Company: Letter of Recognition from
Washington Home for Health Care and Financial
Consultation

1991-1995

Bachelor of Science with High Honors, Biology, Anthropology and
Emory University Human Biology
Atlanta, GA

Honors: Magna Cum Laude
Lambda Alpha, Anthropology Honor Society
Dean's List, 1992-1995

Past Employment

2000

Financial Analysis, *McKinsey & Company*
(Affiliated with Georgetown School of Business)
Projected a financial model for The Washington Home And Hospice Care
1999-2002.

1999

Strategic Planner, *Georgetown University Hospital*
Designed a business plan for non-profit women's clinic under the
supervision of Craig Winkle, MD/MBA Ob/Gyn. Department Chair

ACTIVE STUDIES:

A Masked Comparison of Acular LS Plus steroid versus steroid alone for the prevention of macular leakage in cataract patients.

The clinical and microbial efficacy of 0.6% ISV-403 compared to Vigamox™ in the treatment of bacterial conjunctivitis.
